

1. Print out on A4 card (do not resize the design or use any other size card)
2. Cut around the outside line of the template
3. Place on your piano, lining up the first arrow with the first note of the scale e.g. if you want to find out the notes in a G major scale, line the first arrow with the note G

PLEASE NOTE: Due to the way piano keys are laid out, the arrows may not line up with the **centre** of each key.
