Dom 7th in Key of D^b (4 octaves)

Dom 7th in Key of E (4 octaves)

Dom 7th in Key of G (4 octaves)

Dom 7th in Key of B^b (4 octaves)

Dim 7th Starting on B^b (4 octaves)

Dim 7th Starting on E (4 octaves)

1. Make the random selector box
2. Cut out the scales and arpeggios and fold each in half
3. Place the scales and arpeggios pieces in the box
4. Select a scale or arpeggio
5. Play it on the piano
6. If you play it well, put it on the right-hand side of the piano. If you struggle to play it, put it on the left-hand side of the piano
7. Continue this process until you have selected and played all scales and arpeggios out of the random selector box
8. Next time you practice, only play the scales and arpeggios on the left-hand side of the piano
9. Next time you practice, put all the scales and arpeggios back into the box and start the process again, until you can play them all beautifully!

All scales, arpeggios, dominant 7ths and diminished 7ths are played hands together
